

Prayer last Wednesday...

Praise be to the God and Father of our Lord Jesus Christ! ... Though you have not seen him, you love him... you believe in him and are filled with an inexpressible and glorious joy, for you are receiving the goal of your faith, the salvation of your souls.

Chris reminded us of these words from 1 Peter as we started our evening of prayer last Wednesday. It was good to remember that we are all in a process of 'receiving ... salvation' and that we're all on a journey, and to pray for each other at our different stages.

But prayer is not just for Wednesday evenings (of course!) and if you'd like someone to pray with you, either this morning or through the next week, do ask! Anyone who is leading this morning, or who is welcoming at the door, or anyone else you're comfortable with!

Our wonderful Planet!

Every week, Natalie does a great job editing the Planet (except this week, due to a computer breakdown!) - don't forget to encourage her when you see her, and send in articles and suggestions for inclusion.

It's always great to have real life stories, or reflections, or CD reviews, etc, etc...

What do you want to see in the Planet?

CCC around the World!

Matt and Trevor are travelling again this week! This time they're re-visiting a Turkic country where they will be meeting and encouraging church planters from across the nation.

Please remember to pray for safety as they travel, as well as for a great time with God - pray they'd hear from God for that country in particular so they can make a difference there.

As we heard last week, **Andy and Zoe**, as part of their year with XLP and CCC are going to Ghana from the 8th to the 16th of February.

They'll be doing various schools projects including football and netball tournaments and leading lessons on identity.

Please pray for Andy and Zoe as they get alongside the people they meet.

In June, **Natalie**, and **Richard & Fiona**, are planning to visit Bee and Richard Glazier in Thailand.

They are involved in helping women out of prostitution in the bars in Bangkok. Some of them are re-housed and given training in craft making jobs.

Remember to visit their 2nd hand **bookstall next Sunday** to help them raise funds for this trip

We hope you have a fantastic time with us this morning!

SUPERSTARS!

At All Stars yesterday we invited some of the children to show us their talents! Here is Stefan singing his solo, and we also had gymnastics, Dr Who sound effects and running backwards!

It's great to see the children having a fantastic time together, and we love connecting with families outside of Sunday mornings.

Thanks again to the wonderful All Stars team!

CCC is a Fair Trade Church

Welcome to Catford Community Church

A special welcome to you if you are a guest.

We are a modern family church that draws together a wide range of ages, backgrounds, and cultures - all of whom have a desire to find out more about living the Christian life to the full. Catford Community Church aims to be a place where people can grow and develop to reach their full potential with God's help.

Refreshments are available free after this morning's service; we'd love you to stay and chat.

Matt, Team Leader, CCC.

Regularly at CCC...

Sunday mornings

We hold our main Sunday morning meeting at Holbeach School finishing by 12.15pm. There are groups for children, youth and a crèche for babies.

Small groups

Many people at CCC are also part of one of our small groups, meeting at various times in the week. Every group is different - if you'd like to join one, ask one of the leaders.

Friendship Group

There is a Friendship Group that meets on Wednesday mornings for retired men and women. This is held at Downham Way Family Church in Downham. Please contact us if you would be interested in this group.

Youth

Our youth activities take place on Friday nights at The Point. Fiona Darbyshire is the contact for this group.

All Stars

Our monthly club for all children in school years 1 - 6. Packed with fun, games, stories, prizes, music, crafts, drama... if you've not been, get along soon. Ask Ian Butcher or Matt Hebditch for info, or call the CCC office.

Coming up at CCC...

CCC is not about meetings, but we love to get together to meet God and help each other in our lives, work and families. Here's some of what's coming up in the next few weeks:

- ✓ Computer Club, this afternoon, 5pm, The Point

Write for The Planet!

Email: planet@catfordonline.org.uk
Did you get any good books or CD's for Christmas? Well why not write a short review on it, for The Planet?

What would you do...

...if you had the chance to get a bunch of people together in a big empty room?

Well, you do have that chance at The Point!

Our new Community Space has been up and running for a few months now, and things are already taking shape.

These projects are already happening there... *Bubbles* carer & toddler group, *Talking Point* English class, Computer Club (see details on the right), *The Hive* (Youth), as well as meals and other times for various groups in CCC to get together.

People are waiting to start others in the next few months, including... a Parenting Course, Police Community Drop-in, Stress Busters course, Dance classes, and Children's Drama Club.

And we're dreaming of other possibilities... maybe Money Management or Debt Counselling, After school clubs, etc...

If you've got an idea, or would like to help someone else put their idea into practice, speak to Maureen - she'd love to help you get up and running!

Also, if you'd like to commit to pray especially for The Point and what's happening there, find out more from Maureen.

Computer Club

Struggling to see through Windows?

Lost for Words?

Not Excel-ing?

This afternoon (7th Feb) a bunch of us are planning to get together at the Point and swap tips and tricks on computers.

Drop in any time between 5 and 6pm and bring your laptop with you. If you only have a desktop machine and would like to come, give Joe Knappett a call on 0208 698 7537.

There are no promises that we can solve all your problems, but as they say, a problem shared is a problem halved...

All Stars!

On the basis that a picture's worth 1000 words, here's some of what we did at All Stars yesterday...
