

Welcome to Catford Community Church

A special welcome to you if you are a guest.

We are a modern family church that draws together a wide range of ages, backgrounds, and cultures - all of whom have a desire to find out more about living the Christian life to the full. Catford Community Church aims to be a place where people can grow and develop to reach their full potential with God's help.

Refreshments are available free after this morning's service; we'd love you to stay and chat.

Matt, Team Leader, CCC.

iNet Conference

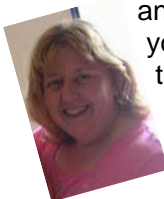

This week has been the annual iNet conference at Annan court in West Sussex. This is where the iNet missionaries and others involved with missions or iNet come together, to worship, hear from each other, spend time together and get input from different speakers.

Quite a few people from our church have been there this week (Hilary and Stephen, Phil and Sue and Trina). I (Natalie) went along on Tuesday and Wednesday and had a great time. It was brilliant having the chance, on Tuesday, to listen to each of the iNet missionaries and to hear what they've been struggled with the past year and what is on their hearts at the moment. I was really inspired and challenged by what they've been involved in this year and their plans for the coming year.

It was also great to spend a bit of time with the missionary kids, having fun playing in the swimming pool with them chatting to them a bit about their lives.

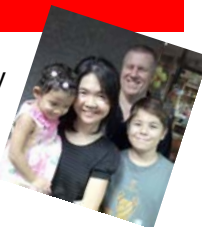

It was especially lovely to catch up with Trina, who is over from Brazil at the moment and with the Glaziers, who I visited in Thailand at the beginning of June.

Why not chat to Trina this morning about her week at the conference and maybe get her to tell you some of the stories that she shared, about Brazil, at the conference?

Get in touch!

We've set up a dedicated email address if you want to contact us about anything to do with our praying and looking for a new leader for CCC: newleader@catfordonline.org.uk will reach all of the Trustees and Leadership Team - we'd love to hear from you!

We hope you have a fantastic time with us this morning!

Where's everyone gone?

If you're wondering why we're a bit thin on the ground this morning, that's because many of us are in Bath at the New Wine conference. We'll be camping together for the week, so let's hope it doesn't rain!

What to expect this morning...

Welcome to Catford Community Church!

Chris is leading this morning, and Mike is leading our worship.
