

Are you booked in?

We're looking forward to being away together as CCC on our weekend away at the end of October.

In case you've missed the information, we've got Annan Court in E. Sussex booked for the weekend 28-30th October (the end of the school half term week).

There will be activities for children, youth and adults, and Israel will be sharing what's on his heart for us at CCC.

It's going to be a great time of sharing together and hearing from God. We'd love to see everyone there, and so please book in if you haven't already. See Jo McCrone to book in or for more information.

Computer Club

It's our Community Computer Club today, 5pm at The Point.

If you're having problems with your computer, would like to find out how to do something new, or just like to chat about computers you're very welcome to come along.

Battle of the Ages

Our next All Age service is on 2nd October, and so it's time to prepare for the next Battle of the Ages challenge!

Don't forget, the challenge is: **Tweet the Gospel!**

For those who are unsure what a Tweet is, it's a message

that is sent via Twitter, and has to be a message that cannot be longer than 140 characters (everything counts as a character – letters, numbers, punctuation, spaces...).

So, each generation needs to come up with their best characterisation of the Gospel in 140 characters or fewer. Top marks will be gained for inventiveness; simply quoting your favourite short Bible verse is unlikely to gain many marks!

If that's too hard, you can Tweet a description of CCC, but there are only 50% of the marks available for this!

Don't worry about sending your Tweet before 2nd October; we'll have the technology running that morning to send and receive them live.

God and Computers

It has been said that *“Computers are like Old Testament gods: lots of rules and no mercy.”* This morning we are looking at some of what the Old Testament has to say for today. This afternoon at Computer Club maybe we'll find a merciful side to computers!

Welcome & Commission

Next Sunday morning we're welcoming Israel & Lucy Olofinjana to CCC as Israel becomes our new Team Leader.

And also we're officially welcoming baby Nathaniel as his dedication will be part of our morning service.

Please be praying for both of these events during this week, and come ready to worship and thank God for what he's doing here in Catford.

We're expecting lots of visitors next Sunday morning, so do aim to be here in good time by 10.30 to be part of welcoming them.

We'll be praying for Israel & Lucy and commissioning them into what God has for them here at CCC.

As part of this, it would be great to be able to encourage them by giving them words, pictures and scriptures that we believe are for them at this time. It would be great if there was something from everyone, so please be praying this week and come ready to contribute.

Invitation

Israel & Lucy have kindly invited us all over for an 'Open House' from 2 – 9pm on Saturday 8th October. Drop in any time during the afternoon and evening (if we all turn up together there won't be space!!) and it will be great to spend some time getting to know them a bit better.

Their address is 26 Vineyard Close, Catford – put it in your diary, and see you there!

Thank You

As Israel comes to join us as our new Team Leader, my role as interim Chair of the Leadership Team is of course ending!

I'd like to thank everyone at CCC for your prayers and support over the last year or so as we've tried to balance seeking God's heart for who should be our new Team Leader with keeping being a worshipping people connected with our community.

I've enjoyed the times when we've come together to explore what's on God's heart for each other, individually and together, and when we've been able to connect with people around the Point and in Catford to share the Kingdom of God.

We have a wonderful Leadership Team here at CCC who are all committed to leading us into the best that God has for us, and I'm looking forward to keeping working with them to support and work with Israel.

I'm also looking forward to starting a study module at Spurgeon's College on Mondays so feel free to ask me how it's going to keep me on track!
