

## What's the Point of community

The building work across the road from the Point is nearly finished, and already a new Tesco Express shop has opened on the ground floor. Although it's very convenient, it will be a shame if some of the other small shops around the Point are affected by the Tesco nearby.

But, perhaps more significantly, the L&Q housing association homes in the new blocks which have been built will soon be occupied by new residents in the area.

As a part of the community these people will be moving into, we want The Point to be a good community resource, and we're looking into whether we can offer to host residents' events with them.

We're also planning events that we can invite the new residents to, to welcome them to the area and to get to know them. We already have the Pins at the Point (knitting & crochet), the Computer Club, and Bubbles (mother & toddler) running there, as well as the Friday night Youth. Is there anything else you think it would be good to do for new residents in our area?

Maureen is taking a lead in putting together our autumn program for the Point, so speak to her if you want to know more or want to get involved.

## An exciting Autumn at CCC!

It's going to be a great time at CCC over the next few months. Here are some dates coming up – mark them in your diary and look out for more information

**7th September, 8pm** – *Prayer & Vision Evening at the Point*. This will be an important time for us to pray together and hear from God about the autumn and what's coming up.

**25th September, 10.30am** – *Welcome and pray for Israel & Lucy as they join CCC*.

We'll be joined this morning by a number of visitors who know Israel who will be part of our blessing and praying for Israel as he starts his leadership at CCC. Also this morning we'll be dedicating baby Nathaniel as part of our service.

**25th September, 7pm** – *Pray for Israel & Lucy at Malham*. We'll also be praying with other Transform Network churches for Israel & Lucy and Catford as part of the evening at Malham Christian Centre.

**9th October, 10.30am** – *Transform Network Sunday morning service at Sydenham High School*. This will be a great chance to worship together with the other Transform churches, with something for children, youth and adults.

**28th-30th October** – *CCC 2011 weekend away!* If you haven't booked in yet for this weekend at Annan Court, get hold of a form and return it to Jo McCrone. It would be great to have the whole of CCC together for a weekend (with Israel & Lucy of course!), so do aim to be there. If cost is an issue for you, please do speak to one of the Leadership Team and we'll do our best to make it possible.

## A special welcome to you if you are a guest.

We are a modern family church that draws together a wide range of ages, backgrounds, and cultures - all of whom have a desire to find out more about living the Christian life to the full. Catford Community Church aims to be a place where people can grow and develop to reach their full potential with God's help.

Refreshments are available free after this morning's service; we'd love you to stay and chat.

## Working on team at New Wine

This year, I volunteered on one of the Children's teams at the New Wine conference. It was a tiring but very fulfilling week, made up of two, three-to-four hour sessions every day, once in the morning and evening. I was working with 8-9 year olds and throughout the week I really saw God moving in them and through them as a result of the worship and teaching provided by the New Wine team. With another team member, I had a small group made up of 16 children and in each session we worshipped with them and prayed for them to draw closer to God, and we definitely saw those prayers answered over the course of the six days. I would recommend working on team as it is a rewarding and exciting experience, and your place and meals at New Wine are free. More

## Message for Youth

DON'T FORGET-the Youth are at The Point next week for their monthly breakfast-everyone who wants to attend should bring £2.

## Reading the Bible

How do you get on with reading the Bible? Sometimes it's hard going, but lots of the time it's inspirational, as you'd expect from the Word of God!

Did you know that some of our Youth have completed the Soul Survivor challenge to read the whole Bible in one year! Well done to them, and let's encourage each other to read more – even the parts you think you know well have more in them than you think!

And one way to start to get an overview of the big picture would be to have a look at Chris Juby's Tweets! You might remember that Chris is tweeting the Bible, one tweet per chapter, one chapter per day. He started in August 2010 and today is chapter 393, 2 Chronicles 26. To see more, go to [www.biblesummary.info](http://www.biblesummary.info)

If you don't know what a tweet is, don't worry, we'll explain more this morning!
